# Anna's birthday

Anna lives in London with her parents. She does not have brothers and sisters. Anna is an only child. Today is her birthday. She is ten years old now. She loves flowers, and she likes to sing. Her favourite singer is Ed Sheeran.

Every morning, she goes to the garden and listens to music. She enjoys looking at the beautiful flowers in the garden. On her birthday, her parents always bake cake for her. Anna loves homemade cake.

When is your birthday?

What do you usually do on your birthday?
