## My Saturdays' routines

Hello, I'm Raphael. I'm from the UK. I live in Bristol. I'm not married yet, and I live alone. I'm a librarian. I work at a library in my town. My Saturdays are always fun. I do not work on Saturdays. On Saturdays, I wake up at nine o'clock, have a shower, and get dressed. Then I make a cup of coffee. After breakfast, I get dressed and go for a walk in the park. I enjoy watching the birds in the park. After the park, I get back home and read a book. Then I prepare lunch. After lunch, I either watch a movie or play video games. In the evening, I cook dinner, relax and listen to music. After dinner, I brush my teeth, put on my pyjamas, and go to bed. I feel happy and relaxed on Saturdays.
