Sue and the bird

Sue is a girl.

She is four years old.

She lives in Germany.

She loves animals and likes to

dress up. Today, she is wearing a pink T-shirt and a blue jumpsuit.

Today, she is visiting a zoo with her mother. The zoo is very big.

There are many animals at the zoo: lions, tigers, elephants, zebra, owls, peacocks, and many more. Sue is excited to see all the animals.

The lions are sleeping under a tree. The tigers are playing inside their enclosure. The elephants

are walking slowly. The zebras are eating grass.

There is a blue bird on a tree. Sue is looking at

the bird. The bird is singing. She tells her mother,

“Mama, look at that bird; it’s singing.” Her mother replies, “Yes, it’s beautiful.”
